### Beware of Ointments for

#### Catarrh That Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine article. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 10c per bottle.

Take Hall's Family Pills for constipation.

### CARBOLIC ACID

#### Causes Death of Miss Addie Keys.

Miss Addie Keys, daughter of Mr. Richard Keys, committed suicide Monday night by taking carbolic acid. Miss Keys was of a very nervous temperament and despondency is supposed to have been the cause of the rash act.

She was about 20 years old and had been in the employ of the Davis Monument Company as book-keeper for some time. Her father formerly lived near Crofton but now resides at Powderly. Miss Keys boarded with her sister, Mrs. Gaither Hord.

Pretty Sure.  
If a man who has a product of his own to sell can continue to think well of it after he has interviewed two or three people who are trying to keep him from finding out that they really want to buy it, he is pretty sure to possess the elements of success.
